SUPPLEMENTAL ANNOUNCEMENT DISCLOSEABLE TRANSACTION

Reference is made to the announcement of IR Resources Limited (the “**Company**”) dated 22 February 2017 (the “**Announcement**”) in relation to the Loan. Unless otherwise defined, capitalized terms used in this announcement shall have the same meaning as defined in the Announcement.

The Company wishes to provide further information as set out below to the shareholders of the Company in relation to the Loan:

1. As disclosed in the Announcement, the Borrower sought shareholders’ loans from all its shareholders as working capital for business development of the Borrower Group. The Loan will be financed from the Group’s existing cash on hand (and not from the proceeds raised from the placing of new shares of the Company which was completed on 23 February 2017 and detailed in the announcements of the Company dated 8 and 23 February 2017). The shareholders’ loans provided by the respective shareholders of the Borrower (including the Loan) are proportional to the shareholding of the respective shareholders of the Borrower, unsecured, non-interest bearing and repayable upon demand subject to the consent of all shareholders. The Loan is provided by the Group to the Borrower under terms that are no less favourable than the shareholders’ loans provided by the other shareholders of the Borrower. Therefore, the Directors are of the view that the terms of the Loan Agreement are fair and reasonable.
2. Provision of the shareholders’ loan to the Borrower is expected to strengthen the financial position and support the development of the Borrower Group and the Group, as a shareholder, would benefit from the enhanced financial performance of the Borrower Group. In such consideration, the Group is of the view that the non-interest bearing Loan represents the Group’s long term investment in the Borrower and is of normal commercial terms.

3. The Borrower as a private company has limited options in raising funds, which mainly consist of shareholders' loan and share subscription. The Group, as a minority shareholder of the Borrower with 17.5% shareholding, would risk its shareholding being diluted if the Borrower decides to issue new shares to other shareholders or new investors. Therefore, provision of the Loan by the Company to the Borrower in line with the loans provided by the other shareholders holding in aggregate 82.5% equity interest of the Borrower (being Jun Yang Financial Holdings Limited and GET Holdings Limited) would be important in maintaining the Company's interest in the Borrower and for the business development of the Group. In view of the above, the Directors consider that the entering into of the Loan Agreement is in the interest of the Company and its shareholders as a whole. Save for the acquisition of 17.5% issued share capital of the Borrower by the Group from Jun Yang Financial Holdings Limited, which was completed on 18 October 2016 (as detailed in the announcements of the Company dated 13 and 18 October 2016), the Group did not have any past relationship with any of the other shareholders of the Borrower.
